Dear Riordan:

Thank you for sending along a copy of [redacted] vitae. His credentials indeed are impressive and in my view he is just the type of person that the Agency should be seeking.

STAT

I have forwarded his records to several of my colleagues managing research efforts in Latin American affairs, although I am not optimistic about any openings looking ahead for at least a year. I will do everything I can, however, to shepherd [redacted] resume and will let you know of any progress.

STAT

I hope you are having a happy and productive summer, and I look forward to getting together with you soon. Do feel free to be in touch again if you think there is anything I might be able to help with.

Sincerely,

STAT
